

VALENTINE'S PARTY A LOT OF FUN DON AND DI SWEETHEARTS OF THE YEAR

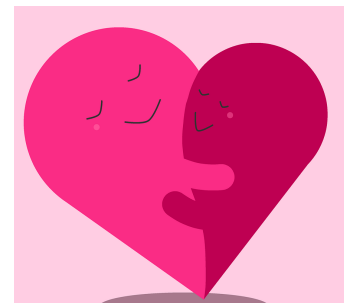

Prez-elect Susie recently attended the President Elect Training Session (PETS) with other PE's from our district 5320 and other districts.

"I learned a lot about the broader scope of Rotary," she said. "I learned a lot about what other clubs are doing and the great work Rotary does internationally as well as locally."

Susie is pictured above standing under our district's flag and her special ID given to her at the 3-day conference.

Don and Di (just married) won the "Sweetheart Couple" for 2024. They were awarded the honor by last year's winner, Susie.

"Thank you everyone," said Don. What a great February 2024. Di and I got married and we won the Sweetheart award by GGR! March 24 is our reception. I hope you can all come."

The Valentine party was recently held at "The Horse's Nose." A wonderful room behind the tire store owned by John and Susie Clisson.
